WebMaster's Note:

Colonel Jones served his country from 1943 as an Automatic Rifleman (AR) with the 104th Infantry Division to 1975 as Deputy Director for Cryptologic Support Activities, NSA. Now in well-earned retirement in sunny Florida, He has continued to serve. *As Charter member number one of the NASAA, Colonel Jones served as a member of the "Interim Board of Directors". His leadership and organizational skills have contributed greatly to the success of our Association. We owe a big thank you to him, not only for his service to country but to the NASAA.*
